

SAN ELIJO MIDDLE SCHOOL MUSIC PROGRAM'S

# Coffee Concerts

## Friday, March 17th

This concert is one of a kind! You have the opportunity to get up close and personal with your student as they play their instrument or stretch their vocal chords. Parents and other guests will sit next to their student and attend a class session with them. After the performance, there will be coffee and donuts for parents and guests to enjoy!

**Beginning Band Period 4B: 11:30 a.m.**

**Beginning Choir Period 5: 12:30 p.m.**

**Beginning Band Period 5: 12:30 p.m.**

**Beginning Band Period 6: 1:30 p.m.**

### **How do you enter/exit the school?**

We will have the PAC doors towards the parking lot open at the start of your performance block and music boosters will be greeting you. We ask that you sign in just so our school site is aware of who is on campus that day for safety reasons. You will exit out the gate next to our bike rack area.

### **Can I take my student early?**

We ask that your student stays in school for the remainder of the day. If you must take them you will need to sign them out at the front check in by the library.

### **6th Period Band - NO EARLY RELEASE**

Please stay on campus until the release bell rings. This is a huge safety element, if people are trying to leave even 10-15 minutes early with their students it makes our school vulnerable in many ways as well as puts the safety of our whole campus at risk. We know you might want to beat the traffic and we understand but we will ask you to stay until that bell rings. Thank you in advance for this and if you have any issues please just email the directors.
